- Define allocation of 40% for arts & culture-related investments and 60% for tourism-related investments
- Change the name of the fund to "Arts, Culture and Tourism Fund"
- Appropriate 100% of Tourism Fund to support arts, culture, and tourism annually

Governor's Budget:

- Maintains flat funding for arts, culture and tourism. Potentially increases revenue to Tourism Fund through a proposed lodging tax rate increase, if approved.

Connecticut's Art in Public Spaces (AIPS) program

Managed by CT Office of the Arts and established by the General Assembly in 1978, the program requires that not less than 1% of the cost of construction or renovation of publicly accessible state buildings be allocated for the commission or purchase of artwork for that building.
